## Flooding in the Village of Waterford

Monday, June 9 the east side of the Village experienced increased water levels in the detention ponds located in the Foxmead Subdivision and additional pumps were installed at the Farm Drainage lift station on Edmund Street to assist in pumping water through the Fox River. Foxmead Drive was closed due to water in the street. For the first time since the late 1950's the Fox River spilled over its banks in the Village of Waterford. The Village experienced water flowing over the west steel plate abutment of the spillway, located east of the Fox Isle Condominiums on Thursday, June 12 and over the east steel plate on Friday, June 13. The evening of June 12-13 the Village experienced only 1.5" of rain. The increased water level is attributed to the thunderstorms north of the Village.

To address the situation the Wisconsin Department of Natural Resources Dam Safety Engineer inspected the conditions along with the Racine County Public

Works Department. Sandbags were placed along the steel plates to prevent water from rushing over the top in efforts to protect the abutments. The spillway was monitored by Racine County throughout the evening and the solution worked in deterring water from washing over the abutment. The Wisconsin Department of Transportation was contacted due to minimal space between the Fox River and the Main Street bridge. The Department of Transportation monitored the situation throughout the day. Main Street did not close because the water level did not increase further as the day progressed.

The measures taken to monitor and secure the spill way and Waterford Dam are precautionary given the drastic increases in water flow experienced in a short period of time. The Dam continues to hold steady at this time. On Saturday June 14 the Fox River in Waterford crested at 1:00 a.m. Foxmead Drive was opened to traffic on June 14. Since the large rain event the Fox River water level continues

to decrease at a slow rate.

Residents south of the Waterford dam along River Street and First Street experienced flooding due to the water increase. A commercial property along Milwaukee Street experience flooding as well. Racine County ordered additional sandbags for the Town of Norway & Waterford and the Village of Waterford from the Army Corps of Minnesota on Friday morning which were delivered at 7:30 a.m. on Saturday, June 14.

## Report Your Flooded Property

**The Village participates in the National Flood Insurance Program (NFIP) making federally-backed flood insurance and mortgages available to all residences and businesses in the Village. The NFIP requires the Village to conduct assessments of flood damaged property shortly after a disaster event. Property owners located in the Special Flood**

## Sump Pump Violations

During heavy rains, the Utility has experienced a large increase in sanitary sewer flows. Much of this is due to groundwater entering the sewers from sump pumps in private homes. Many people are unaware that it is illegal to discharge a sump pump, roof drain or any other source of groundwater into the sanitary sewer system. Unnecessary high flows result in

higher costs to all users and could cause sanitary sewer backups into basements. With your cooperation, we can keep these costs down. Please check your sump pump to make sure that it is not pumping into the sanitary sewer. If your sump pump is running to a floor drain, or is connected to the sewer in any way, it must be redirected to run out on to

the ground. Violators are subject to fines as high as \$1000.00 per day of violation. Village of Waterford employees will be out aggressively looking for illegal connections.

If you are unsure if you are in violation please contact the DPW at 534-4069 and they will be happy to assist you at no charge.

## Registration Forms from National Groups May Be Confusing for Voters

There may be greater voter interest in Wisconsin's elections this year, due to the race for U.S. President and legislative elections this autumn. As more people register to vote, it's important to know the rules.

One potential source of confusion for new and long-time voters alike is a generic voter registration form provided by national groups. Area residents may receive "official-looking" forms in the mail with warnings which cause them to think they need to register more than once.

For example, one group has mailed a letter stating, "NOTICE: State voting laws require individuals to register before voting. To comply with state legal requirements, please return the enclosed application."

Village of Waterford residents should remember they do not have to re-register to vote if they have voted in the last four years and have not moved or changed their names. These notices are being sent out to voters all over the United States, whether the recipients are registered or not.

For those people who really do need to register, it is better to use Wisconsin's voter registration form – the EB-131 form – and to remember our voter registration deadlines. Mail-in registration ends 20 days before the election. Many of these forms do not reach me before that cutoff. That means the names may not be on the poll book, and the voter will have to fill out the form again, on Election Day. The deadline for the September 9 primary is August 20, and the deadline for the November 4 general election is October 15.

Wisconsin residents can register in their municipal clerk's office up to Election Day, and at the polling place on Election Day, so no voters will be disenfranchised by confusing solicitations from out-of-state organizations. However, because these notices do not explain our registration deadlines, some people who believe they are registered will not be in the poll book when they arrive at their polling place.

Voters with questions about Wisconsin voter registration or use of other registration forms should contact the

Village of Waterford's Clerk's Office at 534-3980, or check their voter registration status on the Voter Public Access page of the State Elections Division website at <http://elections.wi.gov>.

Voters are also able to vote absentee if you know you will not be available on Election Day. The Absentee Voter Application is available on the Village's web site at [www.vi.waterford.wi.gov](http://www.vi.waterford.wi.gov). You may request a ballot by mail or stop by the Village Hall during office hours and vote Absentee in person. The ballots are usually available about 3 weeks before the election.

### Mark your calendars for these July 4th Events:

Parade starts at 11:00 a.m. at 5th and Main to 10 Club Park. Duck races are held downtown.

Bon Voyage Travel will be serving free hotdogs and drinks prior to the parade at 116 N Milwaukee Street. The Oscar Mayer Wienermobile will be there!!

Tichigan Fireworks begin at dusk on Tichigan Lake. Don't miss this outstanding event!

## Village Hall Park Ribbon Cutting at River Rhythms!

In November of 2007 the Village of Waterford and Racine County partnered in submission of a grant application to the Southeast Wisconsin Fox River Commission for funding the stream bank stabilization of the Fox River near the Village Campus and north of the Waterford dam. The Fox River Commission has generously contributed 90% of the project funds for this \$100,000 endeavor. The Department of Natural Resources met with our agencies to review the plan specifications and offer additional suggestions which were implemented in the project. The Fox

River Cause assisted in contributing their time and effort in installing a rain garden within the project scope, planting 1,000 native plants along the river bank.

The Village of Waterford and Racine County would like to invite you to tour this wonderful project rooted in true partnership between entities that has assisted in the stabilization of Fox River, one of our communities' best natural resources. Without the efforts of all the individuals involved, this project could not have happened.

Please join us for a tour of the project, monthly Fox River Commission meeting, and ribbon cutting prior to River Rhythms on **Thursday, July 17, 2008:**

**4:00 p.m.** -Tour of the Stream Bank Stabilization Project

**4:30 p.m.**-Fox River Commission Meeting – Waterford Village Hall

**6:30 p.m.**- Ribbon Cutting for Village Hall Park – Primary Location of the Stabilization Project (outside Village Hall)

**6:30 p.m.**-River Rhythms – stay to enjoy the show!

**2008 WATERFORD RIVER RHYTHMS OUTDOOR MUSIC SERIES**

1ST AND 3RD THURSDAYS, JUNE - AUGUST, 6:30PM to 8:30PM

Join us again this summer for Waterford River Rhythms at Village Hall Park. We will have six shows this summer, June thru August.

"Our Mission is to continually provide an Upscale Event that will Enhance the Community."

Bring your picnic basket, your beverages and your smile. Enjoy some of the best in Jazz and Blues in beautiful Village Hall Park.

**JULY 3 - Barbara Stephan**

Barbara Stephan has extensive experience as a jazz / pop vocal performer in Milwaukee, Chicago and regional areas. Vocally, she is a master at authenticating any style she goes after. If you behave, you might hear some Joss Stone as well as her originals. She most recently performed background vocals for blues singer Susan Tedeschi and has been a regular performer at many of the major music venues in Milwaukee. Look for her new album "I'm Awake" coming soon.

**JULY 17 - Jackie Brown and the Boys**

*Food Vendor: Waterford Lions Club*

Returning once again by popular demand, Jackie Brown and the Boys *stretch* the blues almost to alternative. Sprouting from a solo acoustic act, they now bring guitar-like flute solos, sweet strings & piano bass riffs, the occasional drum solo, and a voice that will give you chills. Think Janis Joplin.

**AUGUST 7 - Altered Five**

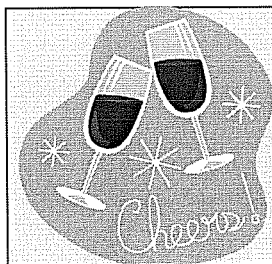

*Food Vendor: Waterford Lioness Club*

Based on last year's response, it was absolutely necessary to bring back Altered Five. They have built a solid reputation for performing an exciting brand of rockin' rhythm n' blues. The group performs funky, danceable versions of popular rock songs from the 70's to today. Notable performances include Summerfest, Shank Hall, Channel 4 and Channel 6 television morning shows.

**AUGUST 21 - Sue DaBaco and Wise Fools**

*Food Vendor: The Cotton Exchange*

Our closing night is going to be hot when Sue DaBaco brings her unique energy to the blues, influenced by the likes of Jimi Hendrix, Eric Clapton, Stevie Ray Vaughn and the sultry soulfulness of Bonnie Raitt. Sue has opened for Frampton, Koko Taylor, The Fabulous Thunderbirds and Lonnie Brooks. Trust us, you've never seen a woman make a grown guitar cry like Sue. Bring your ice cubes, this will be melt-your-face-off blues!

**Join the Friends of the Library**

For a **Happy Hour** wine and cheese tasting party from 5:30-7:30 p.m. at the River Rhythms Concert on August 21<sup>st</sup>. Tickets are \$20 in advance and \$25 the night of the concert. Watch for tickets that will be available at the library in

# Flooding continued...

**Hazard Area identified by FEMA have been sent a letter from the Village requesting the property owner to call for inspection if their property was damaged by the recent flood events. Please contact Building Inspector Dave Zamaite for inspection at 262-534-7911.**

## Sandbag Disposal

Property owners can place sandbags at the street Monday through Friday and contact the Public Works Department to pick them up at 262-534-3801. Please call as soon as the sandbags are located at the curb so that we can remove them promptly. Public Works will only remove sandbags placed at the curb. Should a property owner choose to remove and dispose of the bags themselves, please reference the DNR regulations on the Village Website [www.vi.waterford.wi.gov](http://www.vi.waterford.wi.gov) located on the Flood Update under Featured Events on the main page.

## Presidential Disaster Declaration

Racine County has been added to

the Presidential Disaster Declaration, which means that persons who have suffered flood-related damage may be eligible for FEMA assistance.

FEMA is advising citizens that its disaster assistance covers an individual's basic needs **only** and will not normally compensate the entire loss. The government may help pay for basic needs not covered under insurance policies.

The disaster declaration frees up federal funding for individual assistance in these counties for eligible expenses such as home repair and temporary housing. Individuals need to call 1-800-621-FEMA to apply for assistance, or apply online at [www.fema.gov](http://www.fema.gov).

When applying for help, be sure to have the following information available:

- Your current telephone number
- Your address at the time of the disaster and the address where you now are staying
- Your Social Security number, if

available

- A general list of damages and losses you suffered
- If insured, the name of your company or agent and your policy number
- General financial information
- Bank account coding if you wish to speed up your assistance with direct deposit.

Disaster victims may be eligible for grants and or low interest loans. The FEMA representative will explain the details to you when you call.

U.S. Small Business Administration (SBA) offers low-interest disaster loans for homeowners, renters and businesses of all sizes to repair or replace damaged or destroyed property.

## NAMI Bike 'n Hike 2008

The NAMI Bike 'n Hike 2008 will take place on Sunday, September 14, 2008. The NAMI Bike 'n Hike is more than a fundraiser; it's a day for the community to join with individuals and family members whose lives are touched, briefly for some and a lifetime for others, by mental illness. Since 2002, by taking part in the NAMI Ride, participants have raised over \$60,000 to help those in Racine County whose lives are affected by mental illness.

Again this year walkers can enjoy a 4k (2.5 mile) hike/walk through Waterford High School's wooded Ecology Center and Cross Country course. Bicycle riders will be able to travel the beautiful countryside of Southeastern Wisconsin. The bike tour offers your choice of 10, 35 or 60-mile routes. Families will especially enjoy the 10-mile route along a protected bike trail through historic Col. Heg Park. The 35 and 60-mile tours run along paved

country roads with rest stops along the way. Bike and hike options start and finish at Waterford High School, where lunch and entertainment are provided. Pre-registration discounts are available, please visit our website for details [www.namiracine.org/bikenhike](http://www.namiracine.org/bikenhike) or call NAMI Racine at (262) 637-0582. Online registration is available.
